

Metadia

One stop solutions for all your digital needs

About Us

Metadia Software Pvt Ltd is an INS accredited full-service agency that leads in providing branding and advertising solutions for all your marketing communication needs. It started operations in 2021. The team is passionate about making business a brand through strong concept storytelling illustrated by way of creative development, ATL, BTL and Digital promotions. It takes pride in rendering fresh perspective to your brand image through a stringent procedure, first of which is a consultation meeting. It makes an earnest effort to understand your company's core values, comprehend the product and services you offer in depth and detail, the current market positioning of your offering(s), competitor analysis, and your vision for your brand. Only after this, we offer innovative solutions to realize the objective. An appropriate promotional media mix is proposed to fit your budgets like pieces of puzzle. The team's account planners and executives value your engagement at every step and are just a call away should you wish to share any new idea during the realization of the creative strategy. Results are tracked and shared transparently, henceforth, for each campaign to understand the return on investment and a continued mutually benefiting business alliance.
